Here you can find all the practical details of this course:

## Requirements

Grading is from 0 to 5, with 1 being the minimum to pass the course.

40% of the grade originates from the individual oral presentation, 30% analysing a scientific article, 20% from the individual abstract. 10% from participation, title... Other assignments are obligatory to pass the course. Notice that not-justified delays in the submission of assignments result in the lowest grade in the assessment.

<b>Credit load of the course: 1.5 ECTS</b>
1.5 ECTS x 27 h/ECTS = 40.5 hours
~ 18 hours of contact teaching
~ 22 hours assignment preparation
