Info

On this page, we have collected links to scientific conferences that are considered to be relevant for the students and researchers of the [Technologies for Learning and Development](#) research group at the School of Computing, UEF.

Please inform **Jarkko Suhonen** (jarkko.suhonen@[REMOVED_SPAM]uef.fi) for any possible additions to the list. The conference proceedings of conferences added to this page should be published via a publication forum that has a JUFO-ranking according to the Finnish Publication forum classification (<https://www.julkaisufoorumi.fi/en>). Here is information about the ranking of the conference in the Finnish Publication Forum service; <https://julkaisufoorumi.fi/en/news/publication-forum-ceases-classify-conferences-under-established-name-event>
